Internet Policy and Agreement

As a patron of the Williamsport-Washington Township Public Library or an Internet user of the library, I agree to the following terms and conditions for use of the Library Internet Station:

I attest to have some computer knowledge and understanding of the Internet and the appropriate care and use of hardware and software. I will also request assistance from the library staff if needed.

I understand that use of the Internet stations will be governed according to the Library's published Rules of Conduct. I have been informed that the Library's Computer and Internet Use Policy and Rules of Conduct are available for my reference.

I also understand that Williamsport-Washington Township Public Library's computers are filtered and that the Library follows the Federal Guidelines of CIPA (Child Internet Protection Act), and that children under the age of 10 may use the Internet accompanied by an adult. I understand that failure to comply with these rules may result in revocation of my Internet privileges.

I agree to use the Williamsport-Washington Township Public Library Internet Stations in a lawful, ethical and responsible manner, and to exercise reasonable care in the use of the library equipment and software.

I agree to notify library staff of any malfunction in the equipment or software that may occur while the station is in my care. I understand that any damage to the equipment caused by me or my children through improper care, roughness or vandalism will be my responsibility, and that I will bear the cost of any needed repairs and/or replacement.

I agree to follow the scheduling procedures as outlined in the Library's Computer and Internet Use Policy, and I understand the stations will be made available on a first come-first serve basis, or by appointment. Internet access may be reserved in advance, either in person or by phone. Patrons may reserve up to one hour (60 minutes) of Internet access. After the reserved time has ended, patrons may be asked to relinquish the computer if other patrons are waiting.

I understand that email accounts are not issued by the Library, but I may access an account already created.

I understand that downloading is not permitted at the Library due to copyright regulations.

Patrons using the Internet for purposes which do not comply with the Library's Acceptable Use Statement will immediately lose Internet access.
